Markerstudy Private Car is a private car insurance policy, underwritten by Markerstudy Insurance Company Ltd.

What does Markerstudy Private Car cover me for?

You can choose one of three different types of cover, which are summarised below with the lowest level of cover shown first. Your insurance agent will tell you which level of cover you have been offered.

Third Party Only (TPO)

This covers you, if you are involved in an accident, for damage you cause to other people's vehicles or property or for injuries they sustain.

Third Party Fire & Theft (TPFT)

In addition to the cover provided in TPO above, you are also covered for loss of or damage to your own car caused by fire (excluding arson) or theft.

Comprehensive (Comp)

The cover offered in TPO and TPFT above is provided. In addition you are also covered for any damage your vehicle sustains in an accident or for any damage caused by vandalism or arson.

What happens if I take out cover and then change my mind?

The policy provides you with a 14 day reflection period to decide whether you wish to continue for the full policy year. This is subject to certain terms, including a pro-rata time on risk charge and/or a relevant administration fee. Full details are shown in the full policy wording which is available on request.
